Commissioner for Patents

Washington, D.C. 20231

Sir:

This Amendment is filed in response to the Office Action dated September 30, 2002. Applicant had previously filed an Amendment dated December 30, 2002. This prior amendment was filed within the three month deadline, so no further extension is believed to be necessary; however, to the extent that an extension of time is required, the Commissioner is requested to grant such an extension and is authorized to deduct any fees that may be due, excluding the issue fee, from Deposit Account No. 13-0014.

This Amendment is being filed in accordance with the revised amendment format that is to be enacted in July of 2003.
